

Bend Park & Recreation District

Preliminary Concept Plan A

Concept A addresses the preference for a more developed park providing passive recreation opportunities for a broad range of the community.

- Wide, undulating native riparian protection and enhancement area
- Deschutes River Trail connection along Riverside
- River access points, one with an accessible dock
- Off-leash dog beach
- Off street parking—15 spaces
- Community gardens
- Picnic shelter with shade structure and restroom
- Picnic grove with native plants, individual picnic tables and shade shelters
- Looping walkways
- Standard features such as benches, garbage cans and dog waste stations

Miller's Landing - Preliminary Concept Plan A
