

Preliminary Concept Plan C

Concept C addresses the preference for a quiet park with minimal built improvements. This plan focuses on passive recreation and open space.

- Wide native riparian protection and enhancement area
- Deschutes River Trail connection along Riverside
- Two river access points
- Off street parking, 17 spaces
- Restroom
- Picnic grounds near the river
- Open lawn areas
- Native plant demonstration gardens
- Interpretive walk highlighting the site history
- Standard features such as benches, garbage cans and dog waste stations are in-
